

Apply your LEARNING KEYS™

... opening doors to academic and learning success

A Complete Do-It-Yourself Learning System for Students, Teachers, Counselors and Home Schooling Parents. Includes Learning and Thinking Styles, Multiple Intelligences and Learning Strategies (Suitable from 10 to 17 year olds)

Learning Keys™

Learning Keys™ was created to address the core principles in these quotes.

"In a world that is constantly changing, there is no one subject that will serve you for the foreseeable future, let alone for the rest of your life. The most important skill to acquire now is learning how to learn."

...John Naisbitt

"I never teach my pupils. I only attempt to provide them conditions in which they learn."

...Albert Einstein

"Being able to tell what one's strengths are is probably the most important thing to know about one's self."

...Peter Drucker

The **Learning Keys™** system encompasses:

- 40 years of scientific research in Accelerated Learning and Neuro-Linguistic Programming (NLP)
- 12 years of product development
- Statistically validated assessment
- Proven research-based strategies that support all learning and thinking modalities.

Solutions

Most traditional classroom instruction is Auditory, Visual and Sequential. Students having strong Kinesthetic and Global preferences may experience frustration, loss of focus and learning challenges. The implications on the student, teacher, parent and society are apparent.

The **Learning Keys™** system:

- Builds the life skill of "learning how to learn".
- Leverages individual strengths, not weaknesses
- Helps students get better grades
- Improves self-esteem
- Accelerates learning in almost every situation
- Decreases the learning curve with new and difficult information
- Creates ideal environments to learn, do homework and prepare for tests
- Makes teaching, counseling and parenting a more satisfying and successful experience

Learning Keys™ System

The **Learning Keys™** system is an integrated package that addresses the sensory perceptual and cognitive thinking mode strengths of all learners. The system includes:

Survey and Profile:

- Validated Learning/Thinking Style Self-Scoring Survey
- **Learning Keys™** Personal Profile
